- FINISH: HOUSING, ARM AND STAND WHITE OR BLACK
- WALL POWER SUPPLY 120 - 240V

INTERIOR → **Tasklight** → Book**LED**

BookLED is a minimalist supplement to your ambient office lighting. Its slim profile of just 18mm makes it a discreet addition to your desk furniture, allowing the light to take precedence. 6 high-power LEDs with lensed optics provide warm, glare-free light at a very low wattage. The switch is integrated into the luminaire housing, which can be adjusted manually to direct the light where it is needed.

BookLED complements all GREENBUILDING concepts.

<u>SYSTEM POWER</u>	<u>COLOUR</u>	<u>ORDER NUMBER</u>
8.6W	WHITE	SX 290-546-1
8.6W	BLACK	SX 290-546-2

High light output performance:

$\bar{E} = 600\text{lx}$ on reference plane RF3
(600mm x 600mm).

Design: **NOA**
